## Brand Story

Cixi Yiqin Children Products Co., Ltd. is a manufacturer specializing in designing, manufacturing and selling high-quality baby high chair & baby mattress to the world.

Our company is located in Ningbo, a highland of child products industry in China, with a complete set of supply chain for this industry. Based on 24,000m<sup>2</sup> plant area, we form a capability of producing 700,000 pieces of good-quality high chairs & baby mattress each year.

All of our products are made according to European Union Standards, ASTM & complied with ISO 9001 Quality System and audited by Disney. We also pass SEDEX audit. Meanwhile, we have our own QC staffs, who are experts in the high chair & baby mattress fields. Drawing on this, we can keep the quality good and stable for our customers.

We have a well-trained R&D team and our engineers have worked in baby products field for more than 10 years, which help us to combine engineering insight with creative inspiration to provide the attractive designs at competitive prices. And we take pride in offering R&D, OEM, ODM and mold design service.

With our great enthusiasm, Yiqin are always more than welcome to serve you and your babies with safety, quality and valuable products.
